

M Y S T I K[®] C E N T R A - L U B E[™] G R E A S E

Date 07/16

DESCRIPTION:

Mystik Centra-Lube Grease is designed as an anti-leak industrial semi-fluid gear grease for industrial gearboxes and automatic, centralized lube systems where harder consistency greases are not pumpable in cold weather. It is ideal for leaky gearboxes and applications that are difficult to service. This premium quality product contains extreme pressure, antiwear, antitrust, and antioxidant additives.

FEATURES:

- Self leveling
- Excellent wear protection and load carrying capability
- Outstanding water resistance, protects against corrosion
- Recommended for centralized lubrication systems and grease filled gear boxes

APPLICATIONS:

- As an industrial semi-fluid grease
- Underground mine pressure gear systems and conveyor drive gearboxes
- An “antileak” EP gear lubricant
- For centralized lube systems where harder consistency greases are not pumpable in cold weather

Consult owner’s manual for proper lubricant selection.

APPROVALS:

NSF H2 (125249)

CLASSIFICATION:

Nonfood Compounds
Program Listed H2
Registration No. 125249

TYPICAL PROPERTIES:

M Y S T I K[®] C E N T R A - L U B E[™] G R E A S E

Material Code	665023002
NLGI Consistency Number	0 to 00
Thickener	Lithium 12-Hydroxy
Texture	Smooth, Adhesive
Color	Amber
Worked 60 Penetration, ASTM D217	380-410
Rust Prevention, ASTM D1743, rating	Pass
Oxidation Stability, ASTM D942, psi drop	2.5 at 100 hrs.
Timken OK Load, ASTM D2509, lb.	60
Approximate Temperature Range, °F (°C)	0 to 250 (-18 to 121)
Viscosity @ 40°C, cSt	360
